

# Certificate

## Renewable energy

We hereby confirm to our customer

Ros GmbH & Co. KG

company name

Wassergasse 32

address

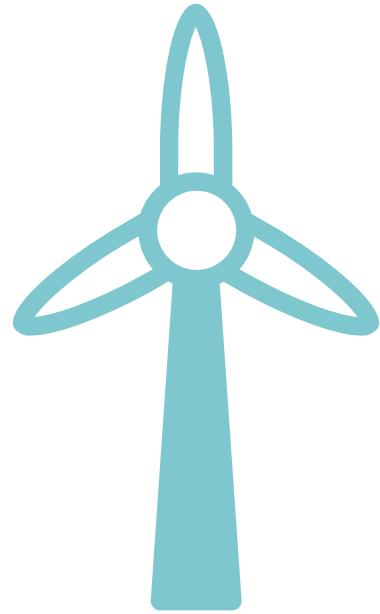

96450

Regensburg

postal code

location

with the **product 'Eco'**, that electricity is produced in renewable energy plants and fed into the public electricity grid in the scope of their power consumption between 01.01.2025 and 31.12.2025.

### Your contribution to climate protection

By doing so, you contribute to an annual saving of approx. 2.815.951 kg CO<sub>2</sub> compared to the German electricity mix.

Thank you for contributing to the promotion of renewable energies.
